

Key Stage 1 Teacher Assessments

Year 1 phonics screening check

During the phonics screening check children read 40 words out loud to a teacher. If a child doesn't pass the check they'll have to do it again in Year 2.

Key stage 1

Key stage 1 tasks and tests cover:

- reading
- writing
- maths

In addition to the tasks and tests, the teacher will use the child's work (including spoken work and homework) to work out what level each child is at in each area. These levels are moderated by the Local Authority.
