

Homework: Summer 2

Our topic this half term is **South America and Maps**. You should complete **one Topic** homework of your choice, the **Science** homework, as well as the **Maths** and **English**. Please take time over your homework; research it carefully and present it neatly. Each half term we will have a homework party to celebrate good homework.

	Topic – Choose the level of challenge!			English	Science	Maths
	★	★ ★	★ ★ ★			
Wk 1	Write down three facts about Brazil	Write a paragraph describing Brazil	Create a fact sheet about Brazil. Include as much information as possible	Bake or cook something – weight and measure the ingredients (maths), write down the recipe (English) and watch it cook – how did it change? (science)		
Wk 2	Name 3 cities in Brazil	Write down three differences between Sao Paolo and London.	Compare and contrast life in the busy city of Sao Paolo to your life in London.	Write instructions for brushing your teeth.	Go on a nature hunt. Draw and label three things you find.	Using the numbers 5, 10 and 50 write 3 word problems.
Wk 3	Draw a map of your journey to school. Put in as much detail as you can. You could include a key.			Write directions for going to school.	It is summer! Write a description of how the season has changed.	Telling the time: write a diary of your day – what time do you eat, sleep and go to school?
Wk 4	Make a map of your bedroom. Try to use a birds eye view	Draw and label a map of your bedroom – use a birds-eye view	Draw and label a map of at least 3 rooms in your house. Use a birds-eye view and a key to show what your symbols mean.	Write a story about your favourite toy going on an adventure	Visit a park or the woods. Draw, photograph or label three types of plants you find.	Make a sandwich. Can you cut it into THIRDS, QUARTERS and HALVES? Draw what you have done and label it.

Wk 5	Design a garden. Label its features.	Design a garden. Make sure you have a key to explain your symbols. You could include a pond, garden furniture, vegetable patch, play area, water fountain, trees and hedges.	Once upon a time you woke up and found that you were all alone...Write and describe where you are. Are you on a desert island? In a jungle?	Go online. Research British wildflowers. Draw and label 5 types of British wildflowers. Have you seen any?	I have £1 to spend. What coins could I have? Write 5 different options.
Wk 6	List 5 things that can be recycled.	List 5 things that can be recycled – explain why recycling is important.	Research recycling. Explain clearly why recycling is important, what can be recycled and what recycling plants do with the materials they get. Present your facts on a poster and have a chance to explain what you know at school to your class.	Write instructions for growing a plant. What does it need to be able to grow and thrive? Can you label its features?	Go on Argos.com or another toy shop. Choose three things you would like to buy. How much does it cost? What could you use to pay for it?
Wk 7	Draw a poster describing everything you have learned in topic this half term. Write 5 things you have enjoyed about Year 2 science. What was your favourite topic? Was it materials? Living things? Or habitats? What have you enjoyed about maths this year? What have you learned about? What do you do when you find it difficult?
