

## Year 4 - Summer 2 Project Homework Grid

You should complete one piece of topic homework of your choice each week as well as the science and maths task. You will also have a weekly perfect paragraph to practise. Please take time over your homework; research it carefully and present it neatly. Each half term we will have a homework party to celebrate good homework. Each homework is worth five points.

This half term, you will need at least **120 points** to earn your invitation. Remember, homework club is every Tuesday lunchtime. Drop in for help with homework and access to the Internet.

	Topic - Ancient Rome (choose at least one activity)			Science	Maths
<b>Week 1</b>  Due: 12/6/17	1) Make a list of objects that the Romans used that we still use today. 2) Make a list of objects that the Romans used that we no longer use.	Find an interesting paragraph about Roman life in a book. Make notes and then write about it in your own words. Don't forget to write the title of book.	Find as many countries as possible that the Romans invaded as you can. Draw their flags and write a sentence to go with each flag.	For science homework this half term, we will be giving you different experiments to try at home. Visit this website and write the name of three experiments you would like to try. <a href="http://sciencebob.com/category/experiments/">Http://sciencebob.com/category/experiments/</a>	Write 10 addition problems for money (e.g. £3.45 + £5.26) Solve them using column method. Challenge yourself by adding larger amounts.
<b>Week 2</b>  Due: 19/6/17	Create a poster advertising a Roman museum collection. (This can be done on the computer.)	Write a diary entry from someone working in a Roman Villa in Britain.	Design a job advert for someone to work as a servant in a Roman villa.	Build A Soap Powered Model Boat	Write 10 multiplication problems and solve them using a method of your choice. Challenge yourself by multiplying larger numbers.
<b>Week 3</b>  Due: 26/6/17	Draw/paint a picture of something from Romans times e.g. A Roman banquet or chariot racing. Write a caption to go with it.	Draw your own Roman coins.	Write a short newspaper report announcing the invasion of Britain. Include a catchy headline! (Decide whether you're a Roman or British newspaper first.)	The Exploding Lunch Bag	What times table are you aiming for in Mad Minutes? Write it out and practise it at home. Challenge yourself by inventing a game to help you learn them.
<b>Week 4</b>  Due: 3/7/17	Write a secret message in Roman numerals (with an alphabet key).	Design a Roman maze using reflective symmetry.	Write a diary entry from someone in a British village which gets taken over by the Romans.	Bend Water With Static Electricity	Write 10 subtraction problems for money (e.g. £6.43 - £2.25) Solve them using column method. Challenge yourself by subtracting larger amounts.
<b>Week 5</b>  Due: 10/7/17	Design and make a Roman outfit for a slave and/or a rich person.	Make a Roman shield out of cardboard - research the style and colours carefully.	Research the Roman Gods and design your own God.	Make a Paperclip Float	Write 10 division problems and solve them using a method of your choice. Challenge yourself by multiplying larger numbers.
<b>Week 6</b>  Due: 17/7/17	Create a Roman timeline. Include any important dates and events you have learned about.	Get someone at home to pretend they were a Roman military leader or you could be this person. Conduct an interview. Write out the questions and answers.	Write a story with a Roman theme, maybe something linked to an object. This could be present day set in museum or linked to an artefact in your home.	The Incredible Hoop Glider!	Write four word problems (one for each operation + - x ÷) and ask someone at home to solve them.
