Dear Parents and Carers

You may be aware from recent media coverage, and from recent price increases to SWES, that we are at a critical juncture in terms of school funding. All schools are facing significant budget reductions and support for services such as after school clubs has been stopped completely.

Our new pricing structure, which was introduced in January means that parents can now pay per day. However, unless payment is made in advance, no guarantee can be given that a place on a particular day will be available. Therefore, if you wish to use SWES regularly you must pay in advance at the beginning of each half term.

If you would like to discuss this further, please see Charmaine.

Yours sincerely
