

### Messages:

Our first P.E lesson went really well on Friday. We just wanted to say a big thank you to everyone who brought their P.E kit in. We will take a multi-skills approach in our P.E lessons this half term. Multi-skills sessions provide a non-sport specific, fun, challenging and enjoyable starting point for children's involvement in sport. Sessions include a wide variety of games and activities, all involving the development of skills and attributes that can be applied to a range of sports and physical activities that a child may subsequently choose to participate in. We look forward to a fun half term ahead!

Just a reminder that snack money for this half term will be £3.00. You may have also received a reminder letter for previous terms. If you have, please see Anca and Debbie regarding this.

### Maths:

In maths this week, we will be learning how to double numbers. Below is a link to a catchy rap song that helps us remember our doubles to 10:

[https://www.youtube.com/watch?v=8jOzh\\_iACB68](https://www.youtube.com/watch?v=8jOzh_iACB68)

### Topic:

In our topic sessions this week, we will be learning about St George's Day. We will also be learning about various people who help us and looking more in depth into the roles of police officers and fire fighters.

The children will continue to have singing sessions with Lena this half term. In addition to this, they will also have African drumming sessions with Norris in the music room.

### Homework:

Please complete the homework sheets in the red folder with your child. There is a phonics activity and a people who help us activity.

Please complete the **EasyPeasy** activity this week with your child.

Please also access **Mathletics** at home. Your child's username and password are on the front of their reading diary. You can copy and paste this link into your browser to access the website:
