

Messages:

There will be a non-uniform day on Friday 18th May to raise money for the Stroke Association. The children can wear their own clothes and something purple for a donation of £1.

Look at the fruit, vegetables and flowers we are growing at school! We are growing strawberries, tomatoes, sweetcorn, potatoes, beans and sunflowers. We are making sure they get lots of sunlight and water. We have even started singing to them to help them grow!

English:

In English this week, we will continue to produce story maps of Jack and the Beanstalk, which will be displayed around the classroom. The children will also start to think about different characters for their own versions of the story.

Maths:

In maths this week, we will be learning about money. The children will play in our very own Tesco's in the classroom where there will be a selection of items of different values for them to pretend to buy.

Topic:

In topic this week, we will be learning about Ramadan and the Muslim celebration of Eid al Fitr. We will also be learning about various people who help us at school including the ladies in the office, the kitchen staff and our premises manager, Radi.

Homework:

Please complete the homework sheets in the red folder with your child. There is a phonics activity, an activity about people who help us and an optional maths challenge.

Please complete this week's **EasyPeasy** activity with your child.

Please also access **Mathletics** at home. Your child's username and password are on the front of their reading diary. You can copy and paste this link into your browser to access the website:
