

Reception weekly update: Tuesday 17th April

Messages:

Welcome back. We hope you had a lovely break and are excited for the new term ahead. This term, we will be taking small steps to prepare the children for the routines and lesson styles of Year 1.

PE lessons will begin on Friday so please ensure that your child has the appropriate PE kit, which is available from the school uniform shop. PE kits will be kept at school until the half term holiday. Please make sure that all items and the bag are clearly labelled with your child's name, including the plimsolls.

There will be a reward session on Monday 23rd April for all the children who had 100% attendance and punctuality in Spring 2. They will watch a film on the big screen and enjoy cinema style snacks in the top hall.

Topics:

Our topic this half term is 'People who help us.' The children will have the opportunity to role-play in our Police Station and our Post Office. In science, we will be exploring floating and sinking and we will be growing cress, strawberries and potatoes as part of our planting topic. Our focus text this half term is Jack and the Beanstalk.

Homework:

Please complete the homework sheets in the red folder with your child. There is a phonics activity, a maths challenge and a floating and sinking investigation.

Please complete the **EasyPeasy** activity this week with your child.

Please also access **Mathletics**. Your child's username and password are on the front of their reading diary. You can copy and paste this link into your browser to access the website:
