

Reception weekly update: Tuesday 5th June 2018

Messages:

Welcome back. We hope you had a lovely break and are excited for the final half term in Reception. This half term, we will continue to take small steps to prepare the children for the routines and lesson styles of Year 1.

PE lessons will begin again on Friday so please ensure your child has their PE kit in school. Thank you to everyone who has sent it back already.

It is Duncombe's Number Day on Friday too! The children will have the opportunity to make their very own number games, which they will share with their friends.

We will be holding a Father's Day celebration on Thursday 14th June in the bottom hall, at 9.00am – 10.00am. The children will do a short assembly in which they will say thank you to their dads, step dads and grandads for everything they do for them. Dads, step dads and grandads will then be invited to take part in an arts and crafts activity with their child. There will be refreshments provided including cupcakes the children will have baked especially for the occasion!

Topics:

Our topic this half term is 'New Beginnings' and our transition to Year 1. In science, we will be exploring melting and freezing. Our focus text for this half term is The Three Billy Goats Gruff.

Homework:

Please complete the homework sheets in the red folder with your child. There is a phonics activity and an activity about healthy living.

Please complete this week's **EasyPeasy** activity with your child.

Please also access **Mathletics** at home. Your child's username and password are on the front of their reading diary. You can copy and paste this link into your browser to access the website:
