

Messages:

Thank you to everyone who attended Parents Evening last week. If you were unable to attend, please speak to your child's teacher to arrange a 10-minute appointment.

Due to the recent cold weather, please ensure that your child wears a warm, waterproof coat with a hood and if possible a hat, scarf and gloves. Please bear in mind that the children are outside during lunch times.

English:

On Friday 2nd March, we are celebrating World Book Day at Duncombe School. This day celebrates the joy and value of books and reading, especially for children. Children are invited to come to school dressed as their favourite character from a book and prizes will be given in assembly for the best costumes.

EasyPeasy:

Please complete the EasyPeasy activity this week with your child. If you are unsure of your login details or are having difficulties accessing EasyPeasy then please speak to Jayne or Salma.

Maths:

In maths this week, we will be finding 1 more and 1 less than a given number. We will be working with numbers up to 10 and then 20. We will also be looking at adding and subtracting larger numbers from a given number.

Homework:

Please complete the homework sheets in the red folder with your child. There is a phonics activity and a junk modelling activity.

Please also access Mathletics at home this week. Your child's username and password are on the front of their reading diary. You can copy and paste this link into your browser to access the website:
