

### Messages:

This Friday (Friday 9<sup>th</sup> March 2018) Year 2 will be performing their poetry recital assembly. We look forward to seeing you there.

Their part of a poem, *Jim, who was eaten by a lion*, has been put into their reading diaries to learn. Please have a go at learning this poem together with your child. They could also practice the Owl and the Pussycat and the Crocodile at home.

### Maths:

This week we are going to go over how to divide by counting groups.

e.g. to calculate  $20 \div 5 =$

We are also looking at using multiplication facts to work it out, e.g. counting up in 5s to 20.

### Phonics / Spellings:

This week your child will be learning to spell words where the /o/ sound is spelt with 'a' after w and qu.

Please ensure your child practices the spelling list in the homework book. Write three sentences using the words and make sure your child knows what they mean.

### English:

This week we are writing a character description about a witch. The children have been saying their sentence aloud before they write it. We have also been using conjunctions *such as but, if, or, and* and *because* to join our ideas together.

### Topic:

This week in Topic we are acting out news reports about what happened during the Great Fire of London.

### Science:

We will be learning about what animals live in the different layers of the rainforest.

### Homework:

Please remember to bring back the CGP Practice books on a Monday so the children can be rewarded with points for their hard work.

Please complete pages 4-6 of the Maths book and pages 6-9 of the English book.

Please learn your spellings and complete the maths homework.

We are running homework club on Tuesdays for children who need more time to finish homework, during assembly time.
