

## Year 2 Weekly update: Tuesday 20<sup>th</sup> February

### Messages:

This term the children will have PE on a **Tuesday afternoon** and **Wednesday morning**. They must bring in their kit every week. Even if they do not have PE kit, they will still need to join in.

We will be running a special café morning on Friday morning to raise money for the children's chosen charity. Please come along and join us after 9:15am.

### Maths:

This week we are going to be learning about using money. We will be adding different amounts together and finding different ways to make the same amount.

We will expect the children to organise their own profits and takings at the community café. In our Enabling Enterprise sessions, we will be learning about what profit is and writing price lists for the café.

### Phonics / Spellings:

This week your child will be learning to spell words where the 'u' sound is spelt with an 'o'.

Please ensure your child practices the spelling list in the homework book. Use the spelling words to write sentences for extra homework points!

### Enabling Enterprise:

This week we will be undertaking a special project week. We will be planning for and preparing a café that will take place on **Friday**.

We will be working on menus, decorations, doing market research and sending invitations. We look forward to welcoming you!

### Topic:

No Topic.

### Science:

No Science.

### Homework:

Just a reminder that children must complete the maths and spelling homework in their books every week to get enough points to go to the homework. This also includes writing three sentences using words in their spelling list.

It is not obligatory to do the Topic homework, but it is an excellent opportunity to learn more about our topic and earn more points!

We are running homework club for children who need more time to finish it on Tuesdays, during assembly time.
