

**Messages:**

We are looking forward to celebrating Eid and we will be having an Eid party in class on Monday the 18<sup>th</sup> of June.

Looking forward to the beach on the 22<sup>nd</sup> of June! Remember if your child isn't coming the MUST be in school in full uniform.

Science Fair on Tuesday 19<sup>th</sup> June – look out for an email with more details!

**Maths:**

In maths we are continuing our topic: geometry.

This week we will be learning about perpendicular and parallel lines as well as horizontal and vertical ones. We will also be measuring in cm and mm.

**English:**

In English we are retelling a story called 'Raven: a Trickster tale from the Pacific North West'.

This is our last assessed piece of writing so we are looking forward to showing off everything we have learned in Year 3!

**Science:**

In science, we will continue to learn about animals including humans.

We are excitedly looking forward to the Science Fair where we will be presenting our work on shadows.

**Topic:**

We are continuing to use our community as inspiration to make pop-up cards.

This week we will be looking at people who help us and making a pop up with a moving mouth.

**Homework:**

Please select a task from the project homework. Please also practise spelling. Perfect paragraphs have been removed but children will be asked to use the spelling words in a sentence.

The maths homework is now on Mathletics – please complete three activities. For extra challenge, try some Problem Solving as well. If your child needs access to a computer, they can come to one of the Mathletics sessions we offer in school on a Friday lunchtime.

We have given everyone an Accelerated Reader band – you can go to the library every day after school and find new and exciting books at your child's reading level.
