

## Year 3 Weekly update: Monday 19<sup>th</sup> February

### **Messages:**

Welcome back!

On Friday we will be inviting parents to come and buy our cook books. Look out for the text with the information.

We look forward to welcoming you at parents evening.

### **Maths:**

In maths we are learning about different ways to present data. This includes bar charts and tallies.

### **Enabling Enterprise:**

This week we are planning to produce a recipe book. Children are working in teams to create a recipe, produce, and print it. We will be inviting you to buy a copy on Friday.

### **Homework:**

Please select a task from the project homework. Please also practise spelling. Perfect paragraphs have been removed but children will be asked to use the spelling words in a sentence.

The maths homework is now on Mathletics – please complete three activities. For extra challenge, try some Problem Solving as well. If your child needs access to a computer, they can come to one of the Mathletics sessions we offer in school on a Friday lunchtime. We have given everyone an Accelerated Reader band – you can go to the library every day after school and find new and exciting books at your child's reading level.
