

Year 4 Weekly update: Monday 25th June 2018

Messages:

- *Into University* workshops will take place today, Tuesday 26th June, in school. This is a project designed to raise aspirations, teaching children about future academic possibilities.
- *Pizza Plot* trip at King Henry's Walk Garden. CB will be going on Thursday 28th June. WS will go Friday 29th June.
- Children will have their final music lesson of the year next Monday 2nd July.
- Friday 6th July will be a special Year 4 music assembly. Please do come along!

Maths:

This week, children will revise perimeter and learn about area.

They will also continue their learning on time, exploring analogue and digital clock times.

English:

Children will complete their story this week.

They will make final edits and revisions, and then publish their full story, using paragraphs to structure events.

Science:

This week, children will reflect on their scientific experiments so far. In particular, they will explore the steps: predicting, carrying out the investigation, recording results and forming a conclusion.

Topic:

Children will continue with Philosophy for Children discussions. They will be thinking about gender roles and will be discussing whether particular character traits belong to boys and girls.

Homework:

Reminders: topic and science are optional; spellings, times tables and Mathletics are compulsory every week.

Homework club is held in Shakespeare classroom during Friday lunchtime. Please encourage your child to go if they need help or would like a head start on their homework!
