

Messages:

We have our annual Sports Day on Monday! Please ensure children come to school in their P.E kits with the uniform in a bag. We have an Into University workshop on Tuesday 26th June.

Talk Homework: As children are writing their self-reflections this week, please discuss the year with your child including what they have enjoyed and anything they would like to improve on.

Production:

Rehearsals for the end of year production are well under way. Please encourage your child to learn their lines and practise these with expression as well as use their stage directions to understand what happens during scene changes.

English:

This week, we will focus on self-reflection. Children have the opportunity to consider the school year and think about their achievements across Year 6. We will write a reflective piece including the Year 6 statements about the most enjoyable parts and aspects we want to improve on as we leave Duncombe. The self-reflection reports will be sent with the end of year report so that you are able to read them.

Spellings:

This half term, we would like children to choose the spellings they want to practise themselves so that their homework is addressing their specific needs. They will choose them from the Year 5 and 6 spelling list or the Year 6 spelling patterns. They will then be tested on these words by a partner on a Monday afternoon. This is instead of learning a perfect paragraph. We hope this means they will be able to challenge themselves!

SRE:

Children will be starting the SRE unit this week. We will be looking at gender and relationships.

Homework:

Children should complete one topic homework of your choice each week as well as the spellings and maths homework they are given. They will get 5 points for each homework. Each half term we will have a homework party to celebrate good homework.

Katija and Eugene will run a homework club every Tuesday lunchtime for help with homework and to access to the Internet.
