

Year 6 Weekly Update: Monday 9th July 2018

Messages:

Year 6 are going to have a week of fun! Some children will be going on the School Journey and the others will be staying at Duncombe and taking part in some very exciting activities! We hope everyone has a fantastic week wherever they are.

School Journey:

Children will have a fantastic time learning to work together on challenges, experiencing the countryside and developing new skills such as kayaking and climbing. They will become more independent and have many stories to tell you when they return.

Staying at Duncombe:

Children will make playground games, make a trip to the park, take part in art and sporting activities, bake cupcakes and have a tea part at Sue Seifort's house, and finally, go bowling!

We hope children enjoy the brilliant activities we have planned for them.

Spellings:

This half term, children will continue to choose spellings from the Year 5 and 6 spelling list or the Year 6 spelling patterns. They will then be tested on these words by a partner on a Monday afternoon. We hope they will continue to challenge themselves!

Year 6 Production:

We will continue to practise our songs and dance moves whether on school journey or at Duncombe to ensure parents get the excellent performance they deserve on Thursday **19th July at 2pm.**

Please keep practising lines with your child. It makes a big difference!

Reading:

Please ensure you continue to read to your child or with your child each day. We have noticed that some children are no longer reading at home and this means they may not maintain their level of reading before starting secondary. **A good reading level ensures success in all subjects!**

Homework:

Children should complete one topic homework of your choice each week as well as the spellings and maths homework they are given. They will get 5 points for each homework. Each half term we will have a homework party to celebrate good homework.
