

Messages: We are having the attendance award party on Monday 26th February 2018 and children are able to bring a change of clothing for the afternoon. We are all very excited for World book day which is on Friday 2nd March and look forward to seeing everyone dressed as their favourite book character. It is mock SATs week this week – please encourage your child to eat a healthy breakfast and come to school ready to do their best.

Mock SATs Week

Children will be able to experience the SATs week during Mock SATS week. We will be covering all areas including, maths, reading, writing and SPaG. Throughout the week there will be revision lessons to prepare children for the test.

Also, we encourage children to use Mathletics to revise areas of maths they feel they need. Mathletics is a great tool for children to complete independent learning and revise areas they feel they need more practise on.

Spellings: Check which spelling list your child should practise and help them at home.
